

California Bank & Trust Supports PCR SBDC To Provide Business and Economic Development Assistance to Small Businesses and Entrepreneurs

Support enhances PCR SBDC's Sisters Entrepreneur Loan Fund Program

SAN DIEGO – (May 9, 2023) – [California Bank & Trust](#) (CB&T), one of California's leading banks, is proud to support PCR SBDC (Pacific Coast Regional Small Business Development Center), a non-profit that provides business and economic development assistance to underserved small businesses and entrepreneurs, with a mission to promote community development by delivering financial and educational services. The gift will support PCR SBDC's Sisters Entrepreneur Loan Fund (SELF) Program.

The SELF Program provides financial education, individual coaching and business workshops to women business owners who are Black, Indigenous and people of color (BIPOC) in Los Angeles. It seeks to help this population recover from the pandemic and thrive in the future. The cohort of women selected for the SELF program will participate in workshops and one-on-one business consultation, and gain skills and knowledge to help them be eligible for grant funding for general expenses and technology improvement.

"Many people, especially BIPOC women, are still trying to recover financially from the economic setbacks brought on by the pandemic," said Lisa Brooks, First Vice President of CB&T's Community Development Finance Division. "California Bank & Trust is proud to do our part to offset some of the challenges for these small-business owners by supporting the SELF program and helping to educate this year's cohort of women throughout their entrepreneurial journeys."
