Premium Benefits	
Check Images	<b>\$0</b> for Check Images
Check Writing	<b>Unlimited</b> Check Writing
Overdraft Fees, Practices, and Services	
Overdraft Practices and Services	Customers are required to keep these accounts free of overdraft. No overdraft protection is allowed.

- Variable interest rate:** Your interest rate and annual percentage yield (APY) may change at our discretion at any time without notice. The APY assumes that interest paid remains in the account. A withdrawal will reduce earnings. We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the collected balance in your account each day. See your Deposit Account Agreement for more information on how interest is calculated using the “daily balance method.”
- Convenience Services:** Some online and mobile banking features may not be extended to minors. Internet, mobile, and text messaging service provider rates and fees apply for the following services: Online Banking, Mobile Banking, Card Alerts, or Mobile Card Fraud Alerts. Additional Bill Pay fees apply for expedited delivery options. Transaction notifications are sent to your email account and/or mobile device by SMS text. Account must be enrolled in Online Banking to enroll in and manage Card Alerts.
- Mobile Banking requires download of the smartphone version of the California Bank & Trust app from the Apple® App Store or Google Play®. Message and data rates from your wireless provider may apply. Requires enrollment in Online Banking. Please refer to the applicable Rate and Fee Schedule (Schedule of Fees or Service Charge Information). Subject to terms and conditions of the Digital Banking Service Agreement. Trademarks used are the property of their registered owner and California Bank & Trust is neither affiliated with nor endorses these companies or their products/services.

## Transaction Processing

### Deposit and Withdrawal Posting Information

Transactions are posted chronologically throughout the business day, whether they are deposits (credits) or withdrawals (debits), in one of two ways:

- 1) In-branch transactions, digital banking transactions, ATM transactions, wires, and Point-of-Sale PIN-based debit card transactions are immediately posted to the Bank's processing system at the time they are conducted;
- 2) Point-of-Sale signature-based debit card transactions, Automated Clearing House (ACH) transactions, "federal in-clearing checks" (checks drawn on your account but deposited at another bank), remotely deposited checks, lockbox transactions, and transactions processed by a Division of Zions Bancorporation, N.A. other than the Division that holds your account) are first grouped into batches of like transactions then posted at regular intervals (usually hourly).

Both ways of Real Time Processing pause at an End-of-Day Cutoff Point but resume the following business day. Interest is calculated and balances are determined (including balances for statement purposes, the Available Balance, any Overdrafts, or Insufficient Funds), at the End-of-Day Cutoff Point. For more details see your **Deposit Account Agreement**.
